

## Future-oriented meetings of ARGE Korridor X in Sofia

A delegation of ARGE Korridor X, consisting of the president Mr. Schiefer and the chairman of the steering committee Mr. Hotz, was invited together with managers of Railnet Austria Inc. (ÖBB-Infrastruktur Betrieb AG) Mr. Lutschinger and Mr. Koller to meetings with the Bulgarian minister of transport Mr. Mutaftschiev and with the general director of the National Railway Infrastructure Company of Bulgaria (NRIC) Mr. Ginev on 6<sup>th</sup> November 2007 in Sofia.

Mr. Schiefer presented the action programme of ARGE Korridor X and the next activities connected with it to the minister of transport. Mr. Mutaftschiev welcomed the further development and attractiveness of the pan-European Corridor X and promised the full support for the efforts of ARGE Korridor X. During the press conference which was organised together with NRIC, represented by the general director Mr. Ginev, the journalists were very much interested in the activities of ARGE Korridor X.

Afterwards an exchange of information about the perspectives and necessities on Corridor X took place with the general director Mr. Ginev. Further participants of NRIC were numerous directors and managers. The general director Mr. Ginev promised the delegation of ARGE Korridor X to collaborate intensively to support, modernize and develop the system "rail" on this corridor.
